At Prime Healthcare, we care deeply about patients and their communities. Since the acquisition and transformation of our first hospital in 2001, we have saved and improved hospitals across the nation while providing compassionate, nationally recognized quality care. Founded by Dr. Prem Reddy, Prime Healthcare has grown to be among the largest for-profit health systems in the nation. As we continue to grow and fulfill our mission of “*saving hospitals, saving jobs and saving lives,*” we remain committed to delivering an exceptional patient experience and creating a legacy that will improve healthcare for all.
