

HEERF Quarterly Reporting

Student Grant Awards

- Roxborough Memorial Hospital has signed and returned the Department Certification and Agreement. ROX SON assures that we have used the applicable amount of funds designed under the CRRSAA and ARP programs to provide emergency financial aid grants to student's
- Total amount of funds received under CRRSAA \$105,943.00
- Total amount of funds received under ARP \$63,921.00
- Total grants issued to students under CRRSAA 66
- Total grants issued to students under ARP 93
- Estimated total number of students eligible to receive grants under CRRSAA and ARP 128
- Total number of students who received grants under CRRSAA and ARP 128
- The institution used FAFSA qualifications and application submitted by the students to help determine students need and eligibility. Under CRRSAA 70% of the funds were devoted to PELL grants students (students deemed to have stronger financial need). Under ARP 60% of the funds were devoted to PELL grant students (students deemed to have stronger financial need). The percentage of funds were then divided evenly among all student in each category.
- The institution provided the students with the application which indicated the deadline to apply and contact information for assistance with the application should they need it.
